PROFESSIONAL EXPERIENCE

REAL-TIME ANALYST – WORKFORCE MANAGEMENT

DME Service Solutions | September 2023 – September 2026

- Serve as the POC and acting lead for the RTA team, providing daily direction, coordination, and support.
- Lead real-time monitoring of staffing, attendance, schedule adherence, productivity, SLA, ASA, AHT, and queue performance.
- Make real-time recommendations on staffing, coverage, breaks/lunches, and offline activities to protect service levels.
- Prepare Intra-Day and End-of-Day reports, dashboards, and trackers, while analyzing trends and conducting RCA on performance gaps.
- Support process improvement and reporting automation using Excel, power queries, macros/VBA, and other tools to improve efficiency and data accuracy.
- Act as the primary escalation point for staffing gaps, operational risks, system issues, and production-impacting concerns.
- Guide RTAs on real-time management procedures, escalation protocols, and operational guidelines, ensuring consistent execution.
- Partner with Operations and WFM leadership on staffing plans, intraday actions, performance risks, and recovery strategies.

WORKFORCE MANAGEMENT SUPERVISOR – REAL-TIME MANAGEMENT (Intuit QuickBooks)

Concentrix | February 2018 – July 2023

- Led, coached, and mentored a team of Real-Time Analysts, providing daily guidance, performance support, and development.
- Set clear expectations and monitored individual and team performance against KPI, productivity, adherence, SLA, and WFM process standards.
- Conducted regular coaching and performance feedback to address gaps, improve skills, and support employee development.
- Identified recurring performance issues and skill gaps and recommended targeted coaching, knowledge sharing, and training opportunities.
- Promoted open communication, collaboration, and teamwork within the WFM team and with Operations partners.
- Coordinated WFM activities across US, Cebu, and Manila operations, ensuring consistent communication and operational support.
- Managed escalations involving staffing, attendance, unexpected volume changes, system issues, and performance concerns.
- Performed root cause analysis and developed corrective-action recommendations for operational and performance issues.
- Supported compliance with established WFM processes, procedures, and operational guidelines.

Leadership Highlights

- Developed RTAs' analytical, communication, decision-making, and real-time management skills.
- Used performance data to provide objective, constructive coaching and improvement recommendations.
- Balanced people leadership with time-sensitive operational requirements and escalations.

TECHNICAL SUPPORT / CUSTOMER SERVICE REPRESENTATIVE – INTUIT QUICKBOOKS & PROCONNECT

Concentrix | September 2015 – February 2018

- Assisted accountants, tax professionals, and small-business owners with Intuit ProConnect and QuickBooks-related concerns.
 - Provided customer service and technical assistance for ProConnect Tax, including application navigation, account setup, troubleshooting, and general product support.
 - Assisted accountants and small-business customers with questions related to tax preparation and electronic tax filing processes.
 - Guided customers through application features, workflows, and troubleshooting while ensuring a professional and customer-focused experience.
 - Supported customers with product and service inquiries, including sales and product recommendations based on their business needs.
 - Documented customer interactions, troubleshooting steps, and resolutions accurately in accordance with company procedures.
 - Developed practical knowledge of QuickBooks workflows, accounting terminology, tax preparation processes, and financial software applications.
 - Communicated complex technical and product information clearly to customers with varying levels of technical and accounting knowledge.
-

SALES REPRESENTATIVE II (Virgin Media UK)

Sykes | March 2009 – August 2015

- Handled inbound and outbound sales calls, identifying customer needs and converting opportunities into sales.
 - Generated and qualified leads through outbound calling, follow-ups, and targeted sales activities.
 - Managed inbound inquiries, presented products/services, and recommended solutions based on customer needs.
 - Achieved sales targets through consultative selling, upselling, cross-selling, and effective objection handling.
 - Maintained accurate customer records, sales activities, and follow-up details in CRM systems.
 - Built strong customer relationships while delivering professional service and timely resolution of concerns
-

TELEPHONE RECRUITMENT OFFICER

GoodDayKorea.com | July 2007 – January 2009

- Managed candidate sourcing, job postings, resume screening, telephone interviews, and recruitment documentation for international teaching placements.
 - Conducted outbound recruitment calls with applicants from the US, UK, Australia, and South Africa seeking teaching opportunities in South Korea.
 - Screened and matched candidates based on qualifications, experience, preferences, and school requirements.
 - Guided candidates through the end-to-end application process, including requirements, interviews, contracts, timelines, and placement procedures.
 - Explained employment terms, school expectations, and living conditions in South Korea to help candidates make informed decisions.
 - Coordinated between candidates and schools to resolve concerns, expedite applications, and meet placement deadlines.
 - Maintained accurate candidate records and followed up on requirements, interviews, offers, and placement status.
-

PART-TIME CASHIER

KFC (Sto. Domingo, Quezon City Branch) | June 2006 – December 2006

- Processed customer transactions accurately using POS systems, including cash, card, and other payment methods.
 - Handled cash reconciliation and maintained accurate transaction records.
 - Assisted customers with inquiries, product information, and payment concerns.
 - Maintained an organized and customer-friendly checkout area.
 - Supported store operations, including restocking, inventory checks, and general floor assistance.
-

PART-TIME SALES CLERK

SM CITY Sta. Mesa | May 2003 – March 2004

- Assisted customers with product selection, inquiries, and purchasing decisions.
- Promoted products, highlighted features, and supported sales targets.
- Processed sales transactions and ensured accurate pricing and documentation.
- Maintained product displays, stock levels, and overall store organization.
- Provided friendly customer service and resolved basic customer concerns.
